

Athens: The School for Citizens

Questions/Activities:

Fill in the chart by bulleting a list of reforms made by each of the four Athenian leaders.

Answer the following questions as you do the reading:

- * What skills were required of an Athenian citizen?
- * What subjects were taught to Athenian boys? Athenian girls?
- * What were the military requirements for Athenian boys/men?
- * What were the characteristics of the "Greek Ideal?"

So far, how are Athenians different from Spartans? Any similarities?
